

Discovery Passion Questions & Love To Do & Don't Love To Do

Firewithin™ Power Questions

Answer the following questions in a quiet place when you are relaxed. The answers to the questions are not as important as thinking about the answers to them.

If you won the lottery, how would you want to spend the rest of your life? What would you find to be the purpose of your life?

If you had absolutely no fear and no guilt, what work would you love to do? What would you love to create?

If you were told you only had one year to live, what would you do?

If you knew you had all the support you needed from your friends and family, what would you begin to do? What would you begin to create?

Write out in the table below 1) things you love to do and 2) things you don't love to do.

The task is now to focus more on doing the **things you love to do** and *eliminating, delegating or outsourcing* the **things you don't love to do**.

Things I love To Do (To Do List) <i>Do More of this!</i>	Things I don't Love To Do (Not To Do List) <i>Eliminate, Delegate or Outsource this!</i>
